

Boxelder Bug Days Celebration

September 7th, 8th & 9th

Dear Food Vendor:

Here we are watching summer fly by and I realize it's time to start getting ready for Boxelder Bug Days again!

We will once again be celebrating in "Bug Square". The area will once again be roped off so there will be no traffic going through Saturday or Sunday. Set up will need to be completed on Friday afternoon/evening.

If you are not familiar with Bug Square, it is located just to the north of Highway 68, behind City Hall Bar and Grill. The food vendors set up on the north and west side of the square. We have had this area blocked off for a few years and it seems to work out well. If you are a returning vendor, we ask that you set up in the same spots as last year. If you are new to the celebration, we will have a spot ready for you to go. Just select the type of spot you will need below, and we will have it ready for you.

Please fill out the bottom portion and return it to me as quickly as possible. Email is the preferred method, but it's ok to mail if necessary.

Payment is due upon arrival to venue.

If you have any questions, please contact
